

Welcome to Without Walls Vineyard Church. We are called to be a local, regional and global church with the aim of removing barriers and building on ramps into the Kingdom of God. This is anchored around shared values that bring life both to the individual members of our church and into the communities that we are called to reach.

Without Walls Vineyard Stakeholder's Commitment

In agreement with the Vineyard USA's statements of faith, and core values (<http://www.vineyardusa.org/site/about/vineyard-values>); I have decided to partner with the vision and calling of **Without Walls Vineyard**. By the grace of God, I commit myself to Him and this community in the following ways:

Pursue Spiritual Formation:

- Loving and obeying the Word of God
- Faithfully joining my community in worship each Sunday
- Giving space and time for my spiritual growth
- Tithing 10% of my income or becoming a regular financial donor, according to my faith

Build Intentional Relationships:

- Praying for and sharing with others my story of faith and my love for God
- Warmly inviting and welcoming friends who visit our church and our community
- Caring for those in need as I am able
- Respecting those in leadership God has given me
- Serving at WOW Community outreaches, gatherings and events

Experience God in our Daily Lives:

- Realizing my ordinary life is full of connections God has for me
- Seeking and pursuing God's peace
- Dealing with relational issues directly and honestly, refusing to gossip
- Encouraging others and believing the best of them
- Joining with God in what He is doing, trusting He will provide what I need, when I need it

Rely on His Power to do all of the above, for His glory
